This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of MCI Communications Services, Inc. d/b/a Verizon Business Services (“the Company”) to waive the requirement to maintain the \$5,000 surety bond to offer prepaid phone cards. The Company notes in its filing that it is a facilities-based carrier in South Carolina, and therefore, believes that it is entitled to a waiver of the \$5,000 surety bond requirement for carriers that offer prepaid phone cards.
